BARCELONA IN STYLE

SIX NIGHTS AT THE FAIRMONT BARCELONA + ROUND TRIP AIR TRAVEL FOR TWO (INCLUDES DAILY BREAKFAST & ALL HOTEL TAXES AND FEES)

Barcelona is the world's most captivating city. The sun-drenched beaches of the deep blue Mediterranean Sea collide with boundless culture, famed architecture and a world class drinking and dining scene. The city has long inspired artists, including the likes of Picasso, Dali and Miro (whose museums you must visit!), but it's great artistic traditions do not end at the canvas. Towering temple columns, ancient city walls and subterranean stone corridors over 2000 years old provide a window into the Roman era. Fast forward a thousand years to the Middle Ages by taking a stroll through the shadowy lanes of the Gothic quarter, past tranquil plazas and soaring 14th-century cathedrals. And don't forget to try Catalan cooking. Remarkable delicacies are served on small plates in Basque-style tapa bars, Galician seafood taverns and avant-garde restaurants of all kinds. Finally, the night holds limitless possibilities. Start with sunset drinks from a panoramic terrace or dig your heels in the sand at a rustic beachside chiringuito. As darkness falls, live music transforms the city: the rapid-fire rhythms of flamenco, brassy jazz spilling out of basements, and hands-in-the-air indie-rock at vintage concert halls. Towards midnight the bars fill. Take your pick from old-school taverns adorned with 19th-century murals, plush lounges in lamp-lit medieval chambers or boisterous cava bars. If you're still standing at 3am, hit the clubs and explore Barcelona's unabashed wild side.

YOUR HOTEL: The luxurious Fairmont Rey Juan Carlos I, with spectacular views and set amidst 6 acres of breathtaking 19th century gardens, provides a tranquil retreat in the heart of the city. Originally built for the 1992 Barcelona Olympics, highlights include two large swimming pools and a fabulous fitness center and spa, which is rated by Conde Nast as one of the top ten in the world. * Upgrade to Jr. Suite for additional \$500.
